Recommended Courses for Majors Planning to Transfer to VWU

Students planning to transfer to Virginia Wesleyan University from a school within the Virginia Community College System (VCCS) should complete courses that will satisfy VWU's major requirements and facilitate timely degree completion. Courses in black are strongly recommended—students who do not complete these courses may require an additional year due to course sequencing issues. Courses in blue are encouraged—these are the courses that are listed ahead of the others in the course selection menu.

Students who complete an Associate of Arts or Associate of Science degree will satisfy all of the VWU general education program except for the junior/senior seminar (WES 300).
